

ALPHA OMEGA CENTER

2019 Annual Report

A NOTE FROM THE EXECUTIVE DIRECTOR

Thank you for being part of Alpha Omega Center in 2019!

God worked through Alpha Omega Center in many new and exciting ways in 2019, and we could not be more excited for where He is leading us. Your partnership has not only made a difference in our communities, it has made a difference worldwide.

In 2019 God opened many doors. We opened a new office in Sandy Lake, launched a website with international reach, rebranded our abstinence department, and saw more lives saved than ever before.

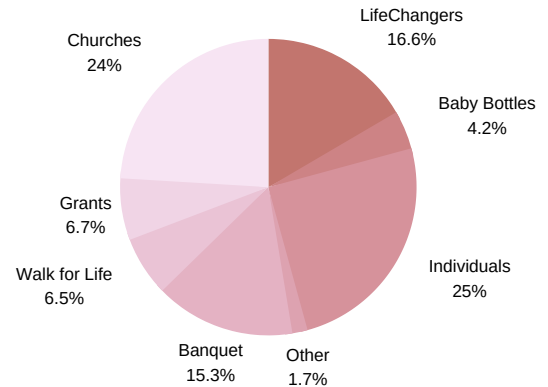

Thank you for joining us in our mission to save and change lives. You're truly making a difference!

- 1,755 volunteer hours valued at \$21,063
- Countless prayers and tremendous encouragement!

2019 IN REVIEW

What did God do in 2019?
Check out our highlight reel below!

- Opened our third office in Sandy Lake, PA
- Launched a new website with an international impact, athomeabortionfacts.com
- Rebranded our abstinence education program to better reach today's youth (see below)
- Published a new curriculum for churches, *Courageously Pro-Life* (courageouslyprolife.com)
- Connected 41 overseas women seeking abortions with help local to them (two of these mothers later told us they chose life!)
- Began a relationship with a country with NO pro-life initiatives and connected them with resources to help them begin their own pro-life ministry

NEW BEGINNINGS

- We opened our NEW office in Sandy Lake, PA
- 72 families enrolled in our Earn While You Learn program
- 739 individual Earn While You Learn visits

Our New Beginnings program brings about lasting change in local families. Our clients graduate from school, strengthen their relationships, and even save for their first home because of the items, education, and encouragement they receive. Thank you for being part of breaking the cycles of poverty in our communities!

HEALTHY RELATIONSHIPS TODAY

In 2019 our abstinence program received a much-needed update and has been rebranded "Healthy Relationships Today" or, for our teens, "HRT." This rebrand was accompanied by an increased web and social media presence and continues to stay true to our mission of encouraging local students to build healthy relationships by saving sex for marriage.

In the 2018/2019 school year, we saw 2,078 students at 34 schools!

NEW YEAR. NEW NAME. SAME MISSION.

In 2020 we will be changing our organizational name to "Promise of Life Network." This name will encompass all of our programming and initiatives. Our current name, Alpha Omega Center, will only be used for our medical services.

This change will allow us to speak out regarding the sanctity of all human life while protecting our most vulnerable clients from protests and online harrassment. For more information go to aocpartners.org or contact us at 724-794-3325.
