

OUR BABIES SAY "THANK YOU!"

Each child pictured below was helped by the ministry of Promise of Life Network. Thank you for being part of their stories!

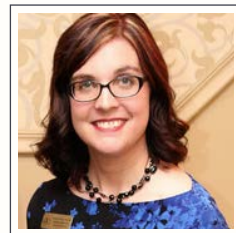

When the pandemic hit, our community showed up! We are so grateful to every person who prioritized the needs of women and families even when things were difficult. Thank you for making a difference!

A MESSAGE FROM SARAH

Thank you for making this amazing year possible. 2020 was a challenging year, but God worked in phenomenal ways - and He did that through YOU! In our human understanding we would have chosen to hold back, but we trusted God, and He showed up in incredible ways. You can see from the numbers on the inside of this report that many, many lives were saved and changed. We know that this is due to the prayers and gifts of God's people. Thank you for your part in this, and please remember us in prayer as we see what God has for us in 2021!

Changing Lives Together,

Sarah M. Bowen
Executive Director

2020 BOARD OF DIRECTORS

Dr. Gordon Richards, President
Rev. Thomas Meling, Vice President
Amanda Jaros, Treasurer
Marla Brown, Secretary
Dr. Matthew Fuss
Rev. William Kirker

Annual Report 2020

Come and see what God has done: He is awesome in His deeds toward the children of man.

Psalm 66:5

NEW BEGINNINGS

Our New Beginnings parenting program became more necessary than ever with the onset of the pandemic. Suddenly, families were losing income and were in need of the basics for their children. We converted our program from in-person to virtual and, in a matter of weeks, nearly doubled our client load. Thanks to the generous donations of our community, every family in need received items and parenting education.

- 128 individual families served
- 1,535 parenting lessons (90% delivered virtually)
- 502 deliveries of necessities to our clients' homes
- Based on pre- and post-tests our clients show a 44% increase in parenting knowledge

ALPHA OMEGA CENTER

With the change of our overall name to Promise of Life Network, our former name, Alpha Omega Center, now refers specifically to our medical services. We were able to continue our medical services throughout the pandemic, and we saw many clients that otherwise may have gone without care.

- 221 individual clients
- 415 appointments
- 84 ultrasounds
- 162 STD tests

55 BABIES SAVED!

STEP INTO HOPE

In addition to post-abortive support, our Step into Hope ministry now provides a monthly miscarriage support group. This new group has ministered to several women who have experienced the grief and sadness that comes with a miscarriage.

- 2 Post-Abortive Bible studies offered
- NEW monthly miscarriage support group

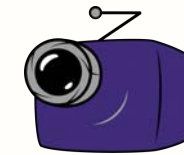

2020 BY THE NUMBERS

INTERNATIONAL MINISTRY

God did an amazing work internationally in 2020! Women from all over the world messaged us asking about an at-home abortion, and we provided each one with information and resources in their communities. Additionally, we designed and programmed a new chatbot named Zai (pictured below) to talk with teens and young people about sex, love, and relationships from a pro-life, pro-family, and pro-abstinence perspective.

- 2,890 international contacts
- 33 countries represented by women in need
- An estimated 84% of contacts have chosen life!

SARAH M. BOWEN

During the pandemic, our Executive Director's ministry to pro-life believers and other pregnancy centers continued to grow. Sarah led two classes using her new curriculum, *Courageously Pro-Life*, through Heartbeat International. The ministry also provided COVID-19 specific resources to hundreds of pregnancy centers, and Sarah presented on a national webinar regarding at-home abortion.

- 81 students took part in the *Courageously Pro-Life* classes through Heartbeat International
- 344 downloads of resources from other pregnancy centers
- \$7,390 in revenue generated for the ministry of Promise of Life Network

HEALTHY RELATIONSHIPS TODAY

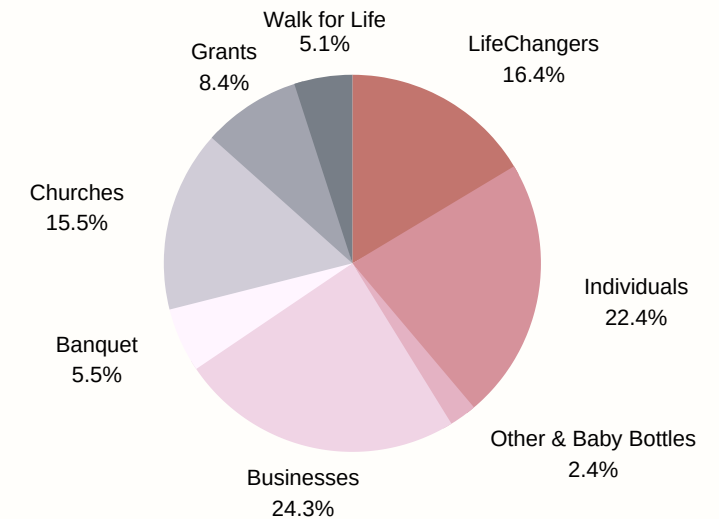

Healthy families begin with healthy relationships. Our HRT team presents about healthy relationships, boundaries, and saving sex for marriage to local students in public schools, Christian schools, and youth groups. The pandemic affected our ability to present, but we're dedicated to reaching students online and virtually.

- 1660 individual students reached with the message of abstinence
- 33 local schools received abstinence education

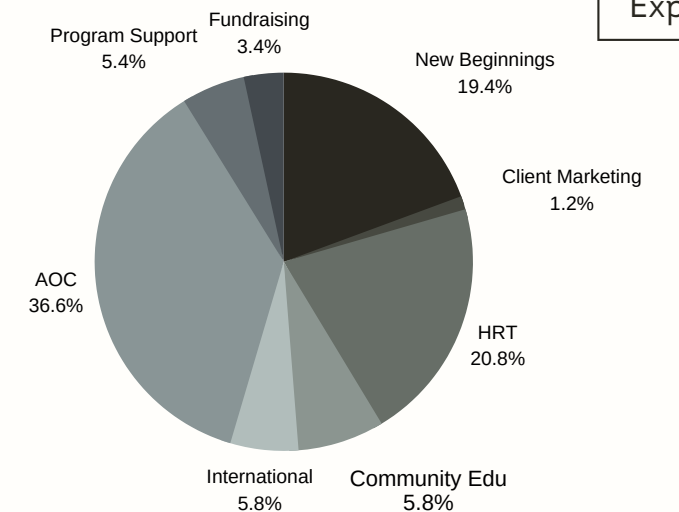

INCOME & EXPENSES

Sources of Revenue

Expenses

ADDITIONAL GIFTS

In addition to monetary gifts, our community supported us with:

- Donated items for our Parent's Shop valued at \$32,582
- Donated professional services valued at \$5,700
- 1,280 volunteer hours valued at over \$15,000
- Countless prayers and messages of encouragement!

WE WANT TO THANK YOU!

Next year, we plan to include the names of all of our donors in our annual report. If you would like to "opt out" and remain anonymous please let us know!

NOTE: In order to accurately portray expenses, overhead costs have been assigned to the appropriate program area in the "expenses" pie chart.
